Member's declaration

All members of the Jersey Bat Group are expected to read the insurance and safeguarding policies that are available in the member's area of our website. Members are also expected to follow the relevant risk assessments for any activity we carry out. We will from time to time email you with news of our events, research and notification of meetings. If you wished at any point to opt out of the emails then please email enquiries@jerseybatgroup.org to let us know.

Data Protection (Jersey) Law 2018 declaration: The information collected on this form will only be used for the purpose of administration of the Jersey Bat Group and will not be disclosed to anyone else unless required by law or with your prior permission.
